## Decisions

1

Treasurer Dennis Passanante reported that a bank account for the club has been opened at Wells Fargo Bank. The initial \$200 grant from the Del Webb Community Association has been deposited. We made our first expenditure of \$35 to join the Florida Camera Club Council.

2. Charles Loving asked for information on slide scanners, and several members contributed to the discussion.

3. We reviewed the submitted photos in the categories of Old Florida, Children at Play, and non-categorized. Good submittals, and good critical discussion intended to help us improve our photos followed.

4. Bill Joransen showed a series of photos to illustrate the principles associated with aperture, shutter speed and ISO.

5. The programs for the next few meetings include Macro photography (September 16), Still Life Photography (October 21), Night Photography (November 18), and Using Flash (December 16).

6. Photo review topics for the next meeting will be:  
Macrophotography subject, Pets, and any topic of your choice.

### **Action Items**
